RODOLFO VANTINI**

INTERNATIONAL SYMPOSIUM OF SCULPTURE dedicated to the architect Rodolfo Vantini

The Scuola delle arti e della Formazione Professionale Rodolfo Vantini (School of Arts and Professional Education Rodolfo Vantini), in partnership with **Regione Lombardia** (l. 9/1993), **Fondazione Comunità Bresciana** and thanks some businesses in the area (**RUB – Rubinetterie Bonomi, Meccanica Pierre, Cooperativa Operai Cavatori e Asimpre**) announce the third edition of International Symposium of Sculpture dedicated to the architect Rodolfo Vantini with the objective of producing a stone sculpture.

This third edition will be dedicated to the figure of our founder Arch. Rodolfo Vantini, distinguished member of the Italian neo-classicism which in 1839 created the "industrial design school" in a territory, that of Valverde, strongly characterized by the marble in order to improve and refine skills already known of the stonemasons Rezzato.

The symposium taking place this year in the period between **17nd and 27th October 2016**.

PARTICIPATION RULES

1) PARTICIPATION

Participation is open to a maximum of **10 artists** of all nationalities who fall alternately in the following categories:
